

PROGRAM ADVANCED FRACTURES

Day 1, June 19

8:30	Registration
9:00	Welcome
	Traumatic PIP fracture dislocations – case discussion
	Traumatic PIP fracture dislocations – lecture
	Traumatic PIP fracture dislocations – case solution
9:45	Coffee break
10:00	Skillslab: Suzukitraction, ligamentotaxor
	Skillslab: collateral band reconstruction
	Skillslab: hemi hamate
12:00	Lunch
12:30	C3 distal wrist fractures – case discussion
	C3 distal wrist fractures – lecture
	C3 distal wrist fractures – case solution
	Peri lunate dislocations – case discussion
	Peri lunate dislocations – lecture
	Peri lunate dislocations – case solution
14:15	Coffee break
14:30	Skillslab: internal and external temporary fixation
	Skillslab: dorsal, palmar and ulna plating
	Skillslab: ligament reconstruction SL, LT, RSC
16:30	Drinks

Day 2, June 20

8:45	(Missed) terrible triad – case discussion
	(Missed) terrible triad – lecture
	(Missed) terrible triad – case solution
	DRUJ/Essex-Lopresti lesions – case discussion
	DRUJ/Essex-Lopresti lesions – lecture
	DRUJ/Essex-Lopresti lesions – case solution
10:00	Coffee break
10:30	Skillslab: ligament reconstruction TFCC
	Skillslab: ligament reconstruction central band
	Skillslab: ligament reconstruction distal oblique bundle
	Skillslab: forearm approaches
13:00	Lunch
13:30	Monteggia like lesions – case discussion
	Monteggia like lesions – lecture
	Monteggia like lesions – case solution
14:15	Coffee break
14:45	Skillslab: arthrolysis
	Skillslab: collateral ligament reconstruction
	Skillslab: coronoid reconstruction
	Skillslab: hemi arthroplasty elbow
17:30	Drinks
